

REPORT OF THE AUDITOR GENERAL OF THE REPUBLIC OF TRINIDAD AND TOBAGO ON THE FINANCIAL STATEMENTS OF THE PRINCES TOWN REGIONAL CORPORATION FOR THE YEAR ENDED 30TH SEPTEMBER, 2017

QUALIFIED OPINION

The financial statements of the Princes Town Regional Corporation (the Corporation) for the year ended 30th September, 2017 have been audited. The statements as set out on pages 1 to 18 comprise a Statement of Financial Position as at 30th September, 2017, and the Recurrent Services Income Statement, a Development Programme Income Statement, a Statement of Cash Flow and a Statement of Changes in Reserve for the year ended 30th September, 2017 and Notes to the Financial Statements numbered 1 and 2, including a summary of significant accounting policies.

2. In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of this report, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as at 30th September, 2017 and of its financial performance and its cash flows for the year then ended in accordance with the basis of accounting stated at Note 2 a) to the Accounts.

BASIS FOR QUALIFIED OPINION

OTHER LIABILITIES \$4,989,207.00

- 3. The sum of \$4,989,207.00 shown as "Other Liabilities" in the Statement of Financial Position is an unspent balance which was split from the "Fund Balance" under Reserves. The Corporation's Line Minister granted approval in September 2017 to utilize this unspent balance of \$4,989,207.00 to undertake certain projects. At 30th September, 2017 the Corporation had no obligation to settle this sum to another party and as such, the balance cannot be classified as a liability. The Total Liabilities of \$5,115,120.00 is therefore overstated by the sum of \$4,989,207.00 (97.5%).
- 4. The audit was conducted in accordance with accepted auditing standards. The Auditor General's responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of this report. The Auditor General is independent of the Corporation in accordance with the ethical requirements that are relevant to the audit of the financial statements and other ethical responsibilities have been fulfilled in accordance with these requirements. It is my view that the audit evidence obtained is sufficient and appropriate to provide a basis for the above qualified audit opinion.

EMPHASIS OF MATTER

5. Without further modifying the above opinion, attention is drawn to the following matters:

TANGIBLE FIXED ASSETS

- i) Adherence to best practice accounting policies and procedures for tangible fixed assets would require that revaluations be made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.
- ii) Included in the figure \$70,570,691.00 for Tangible Fixed Assets shown in the Statement of Financial Position is Land and Institutions at a net book value of \$67,777,829.00. The Corporation has not revalued its land and buildings. Note number 2 b) to the Accounts refers.
- iii) Note 2 a) to the Accounts states that the Corporation has prepared its financial statements on a modified accrual basis. The treatment of certain items relating to tangible fixed assets in these financial statements followed the directive from the Ministry of Finance Circular F. 22/8/43 dated 23rd July, 1969 for the treatment of depreciation. The effect of the application of this Circular is as follows:
 - a) A depreciation charge for the financial year of \$3,289,292.00 is shown both as an income and expenditure in the Recurrent Services Income Statement and the two-fold adjustment is also shown in the Statement of Cash Flow. The actual depreciation charge shown at page 18 of the financial statements is \$3,042,809.00. Management has stated that the figure for depreciation charge in the Recurrent Services Income Statement and Statement of Cash Flow should have been \$3,042,809.00.
 - b) An equivalent figure to the net book value of Tangible Fixed Assets of \$70,570,691.00 is shown under Reserves. The guidance for the accounting entries in the above Circular necessitated debit and credit entries to the Asset and an Accumulated Fund Account (Reserve for Assets) respectively.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

6. Management of the Corporation is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting approved by the Minister of Finance and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

- 7. In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.
- 8. Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

- 9. The Auditor General's responsibility is to express an opinion on these financial statements based on the audit and to report thereon in accordance with section 116 of the Constitution of the Republic of Trinidad and Tobago and section 113 (2) of the Municipal Corporations Act, Chapter 25:04 (the Act).
- 10. The Auditor General's objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes his opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 11. As part of an audit in accordance with accepted auditing standards, the Auditor General exercises professional judgment and maintains professional skepticism throughout the audit. The Auditor General also:
 - Identifies and assesses the risks of material misstatement of the financial statements, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for an opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
 - Evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Concludes on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If the Auditor General concludes that a material uncertainty exists, the Auditor General is required to draw attention in his audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify his opinion. The Auditor General's conclusions are based on the audit evidence obtained up to the date of his audit report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluates the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 12. The Auditor General communicates with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that were identified during the audit.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

BASIS OF ACCOUNTING

- 13.1 Section 113 (1) of the Municipal Corporations Act, Chapter 25:04 states; "Every Corporation shall keep its accounts in a form, having regard to its annual estimates, approved by the Minister of Finance."
- 13.2 The approval of the Minister of Finance was not seen for the basis of accounting adopted by the Corporation as required by the Act.

SUBMISSION OF REPORT

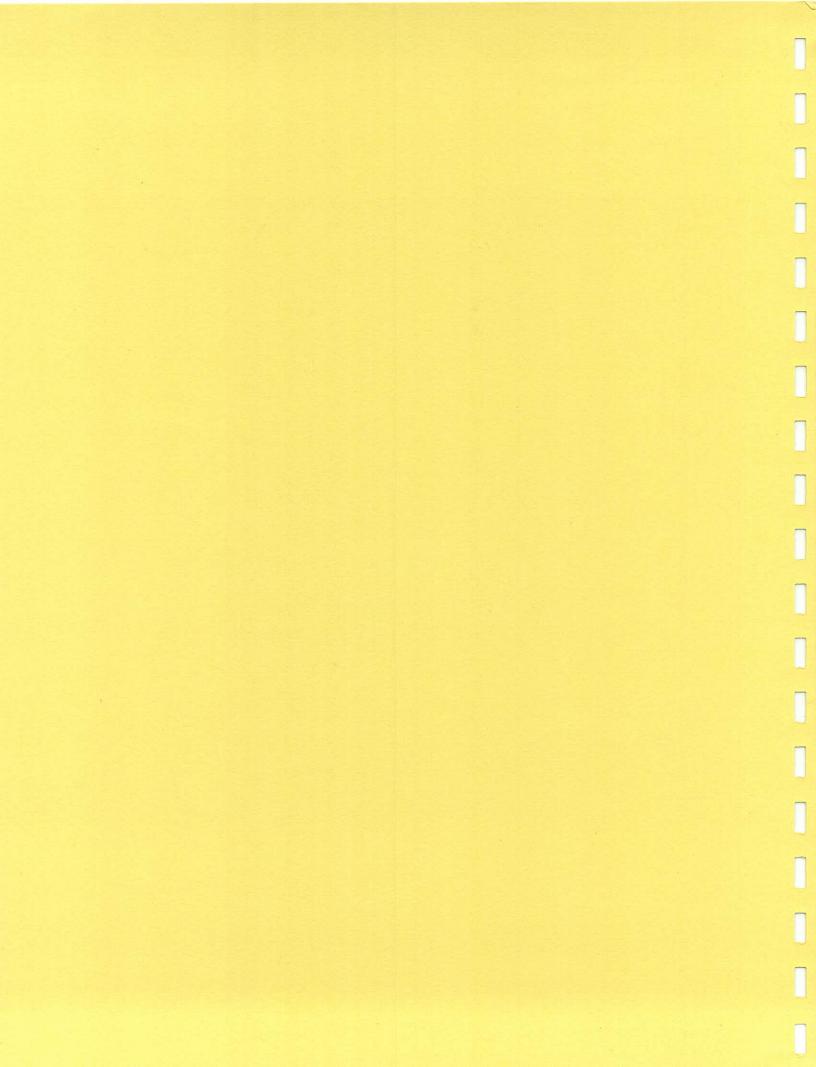

14. This Report is being submitted to the Speaker of the House of Representatives, the President of the Senate and the Minister of Finance in accordance with the requirements of sections 116 and 119 of the Constitution of the Republic of Trinidad and Tobago.

NOTES TO THE ACCOUNTS FOR THE PERIOD 01 OCTOBER 2015 TO 30TH SEPTEMBER 2017

1. General Information

The Princes Town Regional Corporation is a Local Government Authority, and was incorporated on 13th September 1990 by the Municipal Corporation Act 21 of 1990. The Corporation operates a Council-Chairman form of Government and provides the following services as authorized by the Act; development and maintenance of public infrastructure, health and environmental services, recreational and public services, including safety and well being.

Funding for the activities of the Corporation is provided mainly by Government Subvention on a deficit financing basis. The Corporation also raises its own revenue from services provided to its citizens, the majority of which are derived from the collection of rent from parks and recreation grounds, fees for the use of markets and abattoirs, cemeteries, poultry waste, fecal collection and disposal and building application.

Subvention from Government for the purpose of these financial statements fall under two (2) major headings; Recurrent Services and Development Programme, and as such, expenditure incurred is classified accordingly.

2. Summary of Significant Accounting Policies

a) Basis of Preparation

The Financial Statements of the Corporation are prepared on a modified accrual basis, which is a hybrid between the cash basis and the accrual basis, using historical cost conventions, where no account is taken of inflation or market values.

This basis of preparation, also called "The Sylvester Model" has been the method followed by the Corporation for many years, and was implemented by the Ministry of Local Government in 1995. Documentation concerning approval by the Ministry of Finance for this basis of preparation does not reside at the individual Corporation level.

Income is recorded when amounts are received by cash or cheque. Expenses are deducted when they are paid by cheque.

Generally, no accrual is made in the financial statements for liabilities which have been incurred but which have remained unpaid at year end. No directive has been received from the Treasury Division of the Ministry of Finance, instructing the Corporation to incorporate commitments into its financial statements, except where there is a bounded contract.
